

Online Scrip Ordering Made Easy!

Shopwithscrip.com is a free online scrip management program from Great Lakes Scrip Center (GLSC). Registration is free and easy! There are many benefits to ordering online! You can manage your account and check your account activity, run your own rebate history, create a personalized favorites list, reload existing gift cards, and get scrip immediately with ScripNow! Once your family account is set up, you will have the option of ordering your scrip online and sending in a check on Monday mornings to the school office, or you can order online and pay online (this is highly recommended as checks are sometimes forgotten at home). Online payments are completed through shopwithscrip's Prestopay via electronic funds transfer. It's easy, secure, and it allows you to skip the hassle of sending in your check.

All orders must be submitted no later than Sunday night at 10PM. Orders received after this will be submitted the following week. You can order any time of the week, however, all orders will be held until Monday morning as we submit weekly. If paying by check, please make checks payable to ASCS Scrip and send them to the office with the printed out order confirmation each Monday. Please do not forget your check; orders without a check will have to wait until the following week.

Please visit shopwithscrip.com and download/view their family user guide. This gives you valuable information of how the program is managed through GLSC. On the attached waiver allowing your child to carry scrip home, you will have to check that you have read the Family User Guide. ASCS is not responsible for your lack of knowledge regarding the program.
