

# Summer Food Service Program

## *Food that's in when school is out*

Summer will be here before we know it and you might have started to think about how your child will be fed during the summer months. It is important that children still receive proper nutrition during the summer, as learning also happens outside of the classroom. We have good news for you! The Kenosha Unified School District is continuing to partner with the United States Department of Agriculture to serve meals for free. All children ages 18 and under are eligible to receive free meals. There is no need to apply or sign up for the program, just come to one of the many locations where meals are served. We look forward to seeing your child this summer!

The following locations and times are where meals will be served:
