

# ASCS SUMMER CAMPS, 2017

WEEK OF 6/19-22	WEEK OF 6/26-29
<p><b>STEM—Session 1 (Class @ North Campus)</b>            Do science and STEM come to mind when you think about summer camp? I hope so! Summer STEM camp offers students exciting and innovative ways to get hands-on experience with important science, technology, and engineering (STEM) concepts. We will build a house for the three little pigs, make bridges out of straws and paper clips, design a solution to cleaning up oil spills, and create a PSA speaking for the trees in Dr. Seuss' book <i>The Lorax</i>.</p> <p><b>Camp Director: Angela Gunderson</b>  <b>Students entering Grades 1, 2, and 3</b></p>	<p><b>STEM—Session 2 (Class @ North Campus)</b>            Do science and STEM come to mind when you think about summer camp? I hope so! Summer STEM camp offers students exciting and innovative ways to get hands-on experience with important science, technology, and engineering (STEM) concepts. We will plant a rainbow, experiment with insulators, save Fred the worm using paper clips, and help Humpty Dumpty fall safely off the wall.</p> <p><b>Camp Director: Angela Gunderson</b>  <b>Students entering Grades 1, 2, and 3</b></p>
<p><b>Cooking Fun! (Class @ North Campus)</b>            Students in grades 5-8 will learn/refresh cooking skills, try new recipes together, and participate in a fun cooking competition at the end of the week.</p> <p><b>Camp Director: Tami Nelson-Payne</b>  <b>Students entering Grades 5-8th</b></p>	<p><b>Middle School Cook-Off! (Class @ North Campus)</b>            Students in Middle School will be able to try new recipes together, experiment with new foods in the kitchen, and participate in a cooking competition at the end of the week. Students will be asked to bring a specific food for each day of the camp, as we will be using our prior knowledge to "create" recipes with the items that are brought in.</p> <p><b>Camp Director: Tami Nelson-Payne</b>  <b>Students entering Grades 6-8th</b></p>
<p><b>M.A.T.H. (Camp @ North Campus)</b>  <u>"Making Awesome Things Happen!"</u>  <u>"I don't get it." "Fractions are too complicated." "I can't figure it out."</u>            Have you ever said any of those things when it comes to math? Do you want to fix those problems in a fun way? Are you in or going to be in Grade 3, 4, 5 or 6?</p> <p>Yes? Then---you'll want to sign up for Mrs. Miceli's M.A.T.H. Club at Summer Camp. You'll conquer math in a fun environment. You'll review math materials from last year and clear up any problems you had. Then, Mrs. Miceli will give you a sneak peek at what's coming up next year so you'll have confidence AND a head start.</p> <p>Oh yeah---there will be fun math games to help you learn in an easy way! Sign up now! (*This camp offers different activities than Session 2)</p> <p><b>Camp Director: Mrs. Miceli</b>  <b>Students entering Grades 3, 4, 5, &amp; 6<sup>th</sup></b></p>
