

Did you know that we have enrolled 9 new students in our Saints in Training and K4-8th grade since September 1, 2017? Enrollment of new students continues all year at ASCS as new families move into the area or perhaps determine that the school their child is attending is not the right fit.

There is still time for you as an ASCS family to take advantage of our Refer-A-Family program until December 1, 2017. Please invite a friend or family member to take a tour or learn more about All Saints Catholic School. If they are interested, please share with us their information using our referral program link found on our website <https://allsaintskenosha.org/?s=family+referral> or by filling out a referral card which are available in our campus offices.

You will receive a \$250 tuition credit or 1 piece of unique spirit wear for each member your family if the family you refer enrolls this school year!!
