RANDOM ACT OF KINDNESS—

Last week, Mrs. Gnolfo and I were shopping at Sam's Club for our Hot Dog Lunch event. We had 800 hot dogs, 50 hot dog bun packages, tin foil, and 12 boxes of chips to feed our entire school. The gentleman behind us in the check out line had watched us getting all the boxes of chips and asked us what we were buying for and we explained to feed our entire school lunch. Once our order was all wrung up the bill was \$442. The gentleman behind us put his credit card in and paid for the bill. Mrs. Gnolfo and I couldn't believe it. He wouldn't give us his name. He just said that each year he likes to give his Christmas bonus back to a school and he wanted to do this for us. So we would like to give a **big thank you** to the generous man who paid for lunch.
